SCENE IN MIAMI | MADinitially Cocktail Reception

LA DOLCE VITA

| Design District |

THE OCCASION Say "Italian design" and the Design District jumps! Such was the case at the recent private cocktail reception **Nadine Curmi Borgomanero** held at her MADinitially showroom to introduce clients to her new lines of Italian designers.

THE CROWD Think *Italiano*—as in Borgomanero's slew of stylish friends and acquaintances, as well as South Florida interior designers and a sprinkling of Design District neighbors.

THE SCENE As patrons mingled and enjoyed cocktails, they also perused the new collections, which feature eclectic pieces by **Lapo Elkann**, **Maison Martin Margiela**, **Karin Rashid** and many other avant-garde visionaries.
